Welcome to back to Term 3 and in particular a big Waterlea welcome to the new group of Year 1 students and their whanau who had their first day of school on Monday. We have a great term of learning planned with some exciting initiatives happening throughout the school. We will highlight some of this learning in the coming weeks so watch this space. You can also check out the Senior, Middle and Junior School team newsletters for further information-these will be emailed out to you this week. During this term we have intentionally planned some opportunities for you as a community to come into school so we can further develop our partnership with you all:

- **Waterlea Welcome Assembly** held in the David Lange Hall this Friday 24 July at 9.15am. This is where we officially welcome all new families.
- The Senior School has planned a trip to the **Maritime Museum** in the week of 4-7 August.
- On Thursday 13 August we have **Student Led Conferences** (SLC). This is the time that you come to school and spend time with your child as they share their learning with you. We will be sending out more information regarding this in the coming weeks.
- The week before SLC we will send home a **half year school report** and more information will be coming home regarding this in the coming weeks.
- Tongan Language Week is the week of 7-11 September. This is a great opportunity for our students with Tongan heritage to celebrate and share their culture. We have a group of parents involved in the planning of this week and would love your input so contact the office if this sounds like you.

- The **Waterlea School Art Exhibition** is being held on 17 September at 5-7pm. This great event is held every two years and you are all welcome to come and see our wonderful art.

As usual, our Waterlea Mana Values will be underpinning all our learning this term and here is a reminder of what our values are...

The beginning of a new term is also a good time to revisit Waterlea School's Strategic Plan and Charter which can be found on our website. It sets out our plan for learning at Waterlea for the remainder of this year and the next 3 years. Our 4 big goals are:

1. Deliver success for all students
2. To improve cultural experiences and interactions
3. To create a community of digitally literate learners
4. To strengthen productive community partnerships.

Roadworks

You will notice the road works have progressed well on House Avenue and Muir Avenue with the new pedestrian crossings almost complete. Please take additional care to cross and drive on the roads because the road patrol signs aren't able to be used until the work is complete. Thank you for your ongoing Manaakitanga and consideration demonstrated towards our tamariki as they navigate the disruption.

Andrea Jamieson - Principal

Scholastic Lucky Book Club

The latest issue of the book club is going home with children this week. Orders can only be made through the online Loop System by **Thursday 30 July**. We do not accept cash orders. If you have any queries please contact library@waterlea.school.nz.

When you order from the Lucky Book Club, Waterlea gains points to spend on books and equipment for our library - so we really appreciate your support!

Wet Weather - Spare Clothes

As we have had some very rainy weather recently, we ask that you provide a spare change of clothes in your child's bag. We have had many children request spare clothes from the school when they have got wet at lunchtime or played in puddles and we do not have the resources to provide a change, nor do we wish for them to sit in wet clothing in this cold weather.

Important Reminders for the the Start of Term:

School notices/Reminders

Make sure you download our app so that you get the latest news and reminders from school. You can also read the newsletter, let us know about absences, view our full events calendar and link through to our website!

To download: Go to your app store → search for KiwiSchools Connect → download the app for free → search for Waterlea → allow notifications → subscribe to all groups

If you need help come and see the office staff

Starting Times and Lateness

Classrooms officially open from 8.30am. Please ensure your child has arrived at school well before the 8.50 bell so that they have time to get settled and catch up with friends.

If your child arrives at school late (after the second bell at 9am) they need to go straight to the office so that they can write their name down and get a late card to give to their teacher. This is because the roll may have already been taken for the day and we need to account for every child.

Additionally, if you need to take your child out early please do not go straight to their classroom. Fill out the early leaving form from the office first. This helps to keep everyone safe and accounted for. If you do not have an early leaving form for your child their teacher will not be able to release them to your care.

Absences

When a child is to be absent from school, it is your responsibility to let the school know - you can choose one of the following options:

- Send a note to the office explaining the absence
- Ring and leave a message on 636 4233
- Email: reception@waterlea.school.nz
- Website: send a message through www.waterlea.school.nz
- App: use KC Connect to register the absence

Please state the child's name, class and the reason for the absence eg medical, holiday, other reasons—we need to know this for Ministry of Education requirements. If we are not given a reason it is marked as unexplained (which is considered truancy).

If a child is unaccounted for in the morning we will be following up with a text or phone call.—please respond with the info above.

EZ Lunches

Parents are able to order lunches for their children from the EZ Lunch service every Monday, Wednesday and Thursday. The menu and prices can be viewed at www.ezlunch.co.nz. Orders are

made online and you can order by 9am for a lunchtime delivery (or in advance).

Please remember to let your child know that they are receiving a lunch that day so that they know to pick it up from the hall kitchen. Remind your child that if there is an issue with their order to go and see the office staff straight away so we can sort it out.

Car Safety at the School Gate and Fast Drop Off

Please keep safe when dropping off/picking up your children at school. Please ensure you park in a safe manner and do not park on the yellow lines or in the middle of the road—this creates a major hazard to our children and families.

It is important to note that the length of road outside the school from the office to the hall is a “Fast Drop Off Zone” before school—this helps the flow of traffic and reduces congestion. Please do not park the car there and leave your vehicle—your goodbyes, hugs, kisses and bag packing can be done at home to help with the fast drop off.

Thanks also for not parking in the Sir Keith Park reserved mobility car park outside the hall. Our parents in those classes have to walk their children to class and they often have car seats and extra bags to carry—thanks for respecting this reserved park.

Valuables at School

Any valuables brought to school must be brought to the office for safekeeping—especially mobile phones and smart watches with a cellular function (these are not allowed in class).

Lost Property

Please ensure all your child's uniform and belongings are named. Lost property is located in the hall foyer.
