Welcome back to Term 3 and we hope you all had a good break. We also welcome the tamariki and whaanau of Room 15 who are starting their primary school journey at Waterlea today. Last Friday we all celebrated Matariki and we hope you were able to spend some time with your whaanau. As a school we are holding a Matariki assembly this coming Friday at 12:15pm where our tamariki will come together and share their experiences. Matariki is a time that is often associated with gardening and planting so it is timely that our Waterlea Gardening Club, led by Whaea Megan, has just received some funding from the Māngere Ōtāhuhu Local Board. The Sustainability Grant money will be used to purchase a greenhouse and water tank so our tamariki can learn about seed propagation and furthering their knowledge regarding kaitiakitanga or sustainability in regards to ensuring our gardens are watered in a managed way.

A huge welcome to our new tamariki in room 15

We acknowledge and congratulate Chey Davison from Room 11 who was awarded the MANA korowai for her ongoing demonstration of our values throughout term 2.

Staff news

We are needing to increase our Learning Support Staff and are looking for great men or women in our community who would like to join a great team supporting our tamariki with diverse needs. If this sounds like you, email Catherine Skudder our SENCO on Catherine.Skudder@Waterlea.school.nz for further information or phone the office at 09 6364233

There is still time to have your say

Waterlea is so fortunate to have strong connections and partnerships with our Kahui Ako Schools - Maangere Bridge Primary, Onehunga Primary, Oranga Primary, St Josephs Primary, Te Papapa Primary, Royal Oak Primary, Marcellin College, Royal Oak Intermediate and Onehunga High School. Below is a summary of some of the mahi we have been collaborating on over the past two terms. If you would like to participate in this, find the link to the survey below. Your ideas will help us review some of our processes regarding removing barriers for children attending school regularly. Our Year 5 and 6 tamariki will be taking a survey as well.
