Kia ora,

I know many of you have thoroughly enjoyed the Fifa Women's World Cup being held in New Zealand and Australia with all the coverage, world wide celebrations and increased profile it has brought to women's football. At Waterlea, our own girl's football team had a great day at our interschool competition held last week where our team came third. We have a great photo below capturing this great team and their spectacular day. Whenever we take our tamariki out to represent our kura many adults make comments to us about how positive and fair minded our players are, always demonstrating our MANA values. Well done to our tamariki, whaanau who supported us on the day and Jenny Corkill, manager and coach.

Booster Seat

If you have any car booster seats that you don't use anymore and would like to pass on, we would like a couple of them for our office please.

Last Thursday, the girls soccer team went to a tournament at Walter Massey park. We played other girls from different schools. The teams that we played were Mangere East and Koru. Mountain View did not show up so we got three points for that. We ended up playing St Josephs in the quarter finals and I scored two goals. I was happy for myself. Then we played Jean Batten in the semi finals. No one scored so we did penalty kicks and we came third.

Just a reminder, on **Thursday 31 August**, we will be holding our Student Led Conferences (SLC). Please note that school finishes early and **all children are to go home at 1.00pm on that day**. For those families that require childcare from 1.00pm that day, our before and after school care provider (sKids) is available. Please contact them directly on 027 240 0024 or admin@skids.co.nz.

SLC are an opportunity for students to lead a conversation about their learning at Waterlea. Each SLC lasts for 25 minutes and the teacher will also be available to answer questions during this time. The SLC start at 2.00pm and finish at 7.10pm and there will be 3 - 4 conferences happening at the same time within each classroom.

If English is not the language used in your home we invite you to conduct your child's conference in the language with which you feel most comfortable.

Booking a Time

Please visit the school interviews website to select a time that suits your family
www.schoolinterviews.co.nz code: ew5v4

If you do not have access to a computer, our office staff will be able to help you.

Please make your booking by Monday 28 August

After this date conference times cannot be changed electronically. To change conference times after this date please contact your classroom teacher, or the office.

As this is a time to focus on your child and their learning, we ask that if you are bringing other siblings along to SLC, that you make use of the child minding service in the new library space between Rooms 6 and 7.

If you intend to do this, please complete the google form by clicking on this link:
