We've had a couple of good weather days which has helped with our school events namely Athletics Day and the Middle School's hikoi up Te Pane o Mataaoho. Our maunga is an historically significant place in our local community. Throughout the year our tamariki learn about different aspects of the maunga whether it be through a science lens looking at volcanoes or from a social studies lens focussing on people living on the mountain, growing food and how our use of the mountain has changed overtime. The Middle School had a wonderful morning exploring the maunga today including the new playground - whaanau aatea. Below are some photos of our tamariki's trip today and look out next week for some stories.

The other event held this week was a very successful Athletics day where our Year 3-6 tamariki spent the day participating in activities such as sprints, shotput, long jump, hurdles and high jump. It was lovely to have so many whaanau join us and well done to our tamariki for demonstrating their MANA values throughout the day. Here are some results from the day:

The Lost Property Team

If you have recently lost uniform, shoes or hats at school it will most likely be in the lost property located in the entrance of the hall. We are currently trying to get rid of all these clothes and other stuff which may belong to you. We have so much stuff..could it be yours? Come and take a look! Please remember to name all of your child's belongings.
