It was lovely to welcome all our tamariki back to school today as we kick off Term 2. We hope you had a good ANZAC day. A lot of children have shared that they attended ANZAC services so well done if you were up at dawn! We welcome a new cohort of tamariki and their whaanau starting in Rooms 1, 2 and 3. We ended last term with our MANA Values assembly and presented Josiah Marshall with the MANA Korowai.

Josiah was selected from all our Year 5 & 6 students as someone who demonstrates our school values in everything he does.

Congratulations Josiah on this achievement and thank you for being an outstanding role model for others.

Waterlea School is very fortunate to be part of the Social Workers in Schools (SWiS) programme and this week we welcome Phoebe Barrett as our new SWiS. She is well known to Waterlea because she attended here as a primary school student and has since gone onto university to study towards a degree in Social Work. Phoebe is at school on Mondays and Tuesdays and if you'd like to have a chat with Phoebe you can email <a href="mailto:phoebe@mefsc.org.nz">phoebe@mefsc.org.nz</a> to set up a time to meet with her. In next week's newsletter Phoebe will share with you some of the things she can help whaanau with within her role as a SWiS.

#### **Feetfirst Walk to Ambury Farm**

Don't forget our school walk to Ambury Farm this Friday at 11am. We will meet at school after morning tea.

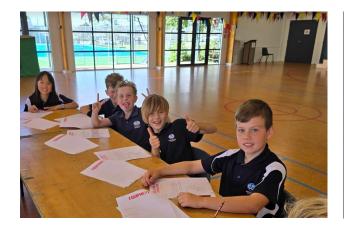

#### **Property Update**

When driving or walking past the school you might have noticed we have two new lovely blue shade sails up, covering the Middle and Senior School's playgrounds. They will be very useful through the summer and winter months protecting our tamariki from the sun and rain when they are playing. Over the coming weeks we are hoping to have the cover for the Junior School playground completed as well as the canopy

#### **Student Leadership Opportunity**

This week a group of Year 5 tamariki are being trained so that they can show sport and play leadership during morning tea and lunchtimes. These students went through an application process and are really keen and committed. After 4 afternoons of training, the group will understand how to plan and set up games and play opportunities for younger students. The concept of tuakana teina, with older children leading and supporting younger children, is a wonderful way for these leaders to demonstrate their MANA values.

#### **One NZ Warriors - Prepare to Perform**

Last term we were lucky enough to have a warriors foundation skills session donated to our school courtesy of GJ Gardner Manukau & East Auckland. We had some wonderful coaches take our Year 3-6 tamariki through some skills sessions during the day, followed by a presentation in the hall for all of our tamariki around the importance of good nutrition, hydration and sleep. There was much excitement across the kura which was added to by the arrival of two of the Warriors players for the presentation. It was a great day and we learnt a lot - UP THE WAHS!!!

#### Moth Plant Competition Update

Current moth plant pod count is 8,550

This is the last week to get your pesky pods into Waterlea to count towards our final total as the competition draws to a close at the end of this week.

Thank you so much to our amazing whaanau for being so proactive and providing us with so many pods to reach our goal.
